President's Message

Don't forget that starting with our June run-thru's, entries are now being sent to Lyn Chernak. Check our website for the updated entry form.

We have had several recent successful events at the club and continue to work on scheduling additional events. If there are subjects or specific seminars that you are interested in, please contact someone on your Board.

We are pleased to announce our next mini seminar on Sunday, July 23: Pet Trusts/Estate Planning for Pet Owners. A subject I feel confident we have all thought about but don't like to talk about... what will happen to our pets if we are no longer able to care for them. We have enlisted Attorney Karen Fisher to present this seminar and she will explain Pet Trusts, how they work, and what we need to do to insure our pet's future. After her presentation, she will take questions from the audience. We are happy to provide this seminar *to our club members at no cost*. See the flyer below for more details. You must register in advance so please send in the stub at the bottom of the flyer to reserve your spot. Feel free to share the attached flyer with your other clubs/friends. Cost for non-members is \$10.

Best of luck to all our members in their upcoming trials!

Have you every wondered what will happen to your pet(s) if you are no longer able to care for them? Who will be responsible for their care, their health and well-being and will they be able to afford that care?

Pet Trusts insure that your pet will be taken care of for the remainder of it's life, and provide you with peace of mind knowing you have planned for their future.

Attorney Karen A. Fisher will explain Pet Trusts, how they work and what you need to do to guarantee your pets are taken care of when you are no longer there. After her presentation, Karen will answer questions from the audience.

Join us on Sunday, July 23 for this important, informative presentation. You must register in advance. Please mail in the stub below to be received no later than Friday, July 14. Recent ODTCW Events

Our CDSP Trial on May 13 was a huge success! Thank you to our judge, Rick Ritacco, Rep, Megan Woods and of course all of our participants. And a big shout out to everyone who volunteered to prepare food, clean-up, steward, and generally help out as needed, we couldn't do it without you! Here are just some of the talented winners of the day!

We had a great Tricks and Intro to Rally FrEe seminar on Sunday, 5/21, in Oxford, CT. The participants and auditors learned a lot from presenter Jenn Michaelis and the feedback has been extremely positive. Here are some photos from the day. Thanks to Nancy Marston for organizing.
