### Paw Print

January 2011

**MISSION AND VISION STATEMENT OF THE  
ASSOCIATION FOR THE STUDY OF  
PAW PRINTS**

1. **MISSION STATEMENT**  
The Association for the Study of Paw Prints (ASPP) is committed to the study and understanding of paw prints and their role in the lives of animals and humans. We strive to provide a platform for research, education, and advocacy in the field of paw prints.

2. **VISION STATEMENT**  
We envision a world where paw prints are recognized as a vital part of the animal kingdom and where their study leads to improved animal welfare and human-animal relationships.

3. **GOALS**  
- To promote research and scholarship in the field of paw prints.  
- To provide a forum for the exchange of ideas and information among paw print enthusiasts and researchers.  
- To support and fund research projects that advance our understanding of paw prints.  
- To educate the public about the importance of paw prints and the role of animals in society.

4. **VALUES**  
- Integrity: We uphold the highest standards of academic and ethical conduct.  
- Collaboration: We foster a spirit of cooperation and shared learning.  
- Respect: We value the contributions of all members and participants.  
- Transparency: We maintain open communication and accountability.
