"Straight Talkin' Training" is coming to ODTCW on April 30 and May 1, 2011.

This seminar will cover all phases of competitive obedience training (puppy thru Utility). Learn how to use treats effectively and not have the dog depend on them to perform. Sandy teaches everything in small pieces, while working on issues of respect, attention, attitude, connection, responsiveness and work ethic, by remaining upbeat, consistent and insistent at all times.

Sandra Ladwig has been involved in competitive dog obedience training since she was twelve years old. She has won over 235 High in Trials and 176 High Combined Awards and has earned multiple 200 scores and over 5,000 OTCH points. Along the way, she has finished seven Obedience Trial Champions. She has been sharing her knowledge for over twenty years through private lessons, seminars and yearly workshops. To learn more about her philosophy and accomplishments in obedience, visit her website sandaladwig.com.

The cost of the two day seminar will be \$225.00 including continental breakfast and lunch. The seminar will be limited to thirty individuals. Registrations will be accepted on a first come, first served basis so don't wait, sign up today!
